

EDIFIER®

MP255

Portable Speaker that Is Bang for Buck

The third instalment in the current Edifier portable bluetooth speaker range is the MP255 2.0 stereo speaker. It carries all the current features available in the MP200 and MP202DUO with some extras. This latest model features built-in microphone capabilities for handsfree calls, an IP54 rating for dust and splash proof as well as USB streaming audio and microSD playback.

It is a 48mm full range speaker unit featuring 2 channels at a combined RMS at 10watts and a frequency response rate of 150Hz - 20kHz. The MP255 is available in 2 colour variations including Orange and Black.
